## TESTIMONIALS FROM OUR MEMBERS

"We, at Fort Hamilton Hospital, depend more than ever on the Greater Hamilton Chamber of Commerce to help us stay connected to other businesses in our community. The Chamber provides the infrastructure and opportunities for us to interact with one another which, in turn, makes the greater Hamilton area a better place in which to live and work. Thanks to everyone at the Chamber for what you do for us!"

Lynn Oswald, Fort Hamilton Hospital

"By being a member of the Chamber and having access to the networking events they provide, I have developed strong business relationships that have turned into solid clients, along with the referrals from their business colleagues. Being a Chamber member is one of the best investments I've made and certainly one of the most cost effective ways to drive revenue for a small company."

Denise Reier, ADAGO Marketing

"Since moving to Hamilton, the Greater Hamilton Chamber has been a partner with me in a number of areas. The Chamber has helped me as a small business person through my career as a private practice optometrist. I worked closely with the Chamber on a variety of projects in my years as an elected official, including my years as Hamilton's Mayor. Finally, the Chamber has advanced the lifestyle opportunities that has helped make Hamilton a great place to raise my children. I can't imagine how different my life might be were it not for the Chamber."

Tom Nye, Nye Family Vision Center
